

Earl Grey Tee bio Schwarztee 300g

Betegnelse: Schwarztee Earl Grey

Beskrivelse: Our Earl Grey organic tea is a strong Assam black tea with a fine, natural bergamot flavour. The unique citrus flavour and aroma is refined and complex. Earl Grey tea is an absolute classic among black teas and has been appreciated by tea lovers for centuries. Enjoy this tea in a cosy hour at home, alone or with friends. How does bergamot differ from other citrus fruits such as orange, lemon or grapefruit? Bergamot is smaller and pear-shaped. Its light green to yellow skin is thinner and smoother than that of most other citrus fruits. It is not usually eaten, but is cultivated to extract its intense essential oil.

Forberedelse: Einen gehäuften Teelöffel pro Tasse mit kochendem Wasser übergießen und den Tee 3-5 Minuten ziehen lassen.

Ingridients: black tea* 98, 5%, natural bergamot aroma

* from controlled organic cultivation
